Forecast For Tayside, Central & Fife
Issued by Met Office Aberdeen
at 0400 on Thursday 08 Apr 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Windy with rain at times, colder evening.

Today:
A bright morning and early afternoon near the east coast but some rain in the west and strong winds once again, local gales. A short spell of heavy rain crossing late afternoon then sunnier but colder by evening. Maximum temperature 11 deg C (52 deg F).

Tonight:
Clear spells this evening, then a few wintry showers spreading to the Trossachs and Perthshire. These dying out overnight with frost becoming widespread. Minimum temperature -3 deg C (27 deg F).

Friday:
A bright day with some sunny spells. A few mainly light hail or snow showers developing by the afternoon, dying out in evening with a frost setting in again. Maximum temperature 8 deg C (46 deg F).

Outlook for Saturday to Monday:
Cold on Saturday and Sunday with sunny spells and just the odd light wintry shower. Sharp night frosts. Less cold on Monday with some rain showers.
